PROPERTY DESCRIPTION

Thrive365 — Where Accessible Living Begins

Thrive365 is excited to welcome a brand new NDIS community in Blacktown this January, offering both Supported Independent Living (SIL) and accessible accommodation through our new SDA Bridging Program.

Centrally located in the heart of Blacktown, this inclusive community features nine spacious, ensuited bedrooms across two modern properties, thoughtfully designed to deliver high-quality living for NDIS participants. With accessibility at the forefront, the Blacktown community offers a range of SDA-designed accommodation options to support participants without SDA funding

through their SDA journey.

With community at the forefront, Blacktown offers a welcoming and connected environment where residents can truly thrive. Featuring spacious shared living areas, a large backyard entertainment space, and a variety of in-house programs, the community is thoughtfully designed to encourage connection, independence, and enjoyment. Residents will also benefit from being just a short drive from our group activity centre, which offers engaging daily programs and social opportunities.

With accessibility at your fingertips, enjoy living in a well-connected community designed for everyday convenience. Centrally located in Blacktown, the community is ideally positioned close to public transport, local shops, and essential services, with Westpoint Blacktown Shopping Centre, Blacktown Train Station, Blacktown Hospital, local cafés and restaurants, the Blacktown Showground Precinct, TAFE NSW Blacktown, and the Blacktown Aquatic Centre all just minutes away.

Blacktown places providing quality supports at the heart of everything we do, delivering a comprehensive model of care. All staff are trained in High Intensity Supports and are guided by a dedicated nursing team who oversee daily care and provide expert clinical guidance to the support team. This ensures residents receive the highest level of personalised care, tailored to their individual needs around the clock.

Blacktown offers more than just a home; it provides a warm and welcoming foundation for independence, connection, and wellbeing within a caring and supportive community. Don't miss the opportunity to call Blacktown home today. Contact us today to learn more about this thriving NDIS community.
