PROPERTY DESCRIPTION

Welcome to Cherry on Top, CoCo Support Services' boutique Supported Independent Living home in Waurn Ponds, where disability support meets colour, comfort, personality and a little bit of CoCo magic.

At CoCo, we believe your home should be so much more than simply a place to receive support. It should feel warm, welcoming and completely your own. A place you're proud to come home to, where you can relax, build independence, connect with others and enjoy the everyday moments that make a house feel like home.

And Cherry on Top is exactly that.

Styled in CoCo's signature shades of pink and coral, this fully furnished SIL home is bright, uplifting and full of personality. From the carefully curated interiors and playful pops of colour to the cosy shared spaces and thoughtful finishing touches, every corner has been designed to feel beautiful without losing that relaxed, lived-in feeling.

But the beautiful home really is just the cherry on top.

At the heart of CoCo is our support. Our team takes the time to genuinely know the people we support, understand their routines, goals, preferences and personalities, and provide support that feels personal rather than one-size-fits-all. With shared supports available within the home, participants can be supported to build independence while still having the reassurance of a caring team around them.

We created Cherry on Top because we believe disability accommodation doesn't need to feel clinical, tired or uninspired. Participants deserve beautiful spaces, meaningful choice and support that adds something special to everyday life.

Boutique living. Premium support. A home with personality.

Because at CoCo, we don't do cookie-cutter. ?

Creating spaces that envelop, relax and inspire, while supporting people to live life their way.
